

PRODUCT DATA

TYPICAL ANALYSIS:

Protein: 16%

Approximate on a DM basis. Analysis may vary slightly due to grain variances beyond our control.

FEEDING RECOMMENDATIONS:

- Introduce Meal Time Alpaca Pellets gradually to allow digestive systems to adjust to the higher starch intake.
- Alpacas should always have access to a quality fibre source such as hay, chaff, pasture or silage to maintain a healthy digestive system.
- Do not allow individual animals to over consume. When feeding a group of animals spread the feed along the trough to allow for easy access by them all.
- Keep feed fresh and ensure feeding containers are kept clean.
- Ensure that Alpacas have access to fresh, clean water at all times.
- Feed Meal Time Alpaca Pellets plus Zinc from January to mid-April to help with the prevention of Facial Eczema.

Suggested Feeding Rates as a Supplement:

- Wethers, non-pregnant females or in early pregnancy: up to 150grams/head/day.
- Late gestation (in last trimester): 150-500grams/head/day.
- Lactating: 150-500grams and can increase up to 1000 grams/head/day.
- Growing Cria: 50-150grams/head/day

INGREDIENTS:

Grain and grain by-products, various plant proteins, molasses, minerals, vegetable oils, mold inhibitor, flavors, vitamins and trace minerals.

CONDITIONS OF SALE:

Being used outside their control, this product is sold on the express condition that the producers have no warranty, expressed or implied and are not responsible for damage arising out of its use, whether in accordance with its directions or not.

Denver Stock Feeds Ltd, 815 Tremain Ave,
Palmerston North, New Zealand.

Fresh is Best

ALPACA

PELLETS

Meal Time Fresh is Best Alpaca Pellets are a supplementary feed to meet the nutritional needs and well-being of your Alpacas, or used just as a treat.

Supplementary feeding can become necessary if pasture is in short supply, or an increase in growth rates are needed, or in late pregnancy to ensure the healthy and well being of your animals.

FOR ANIMAL TREATMENT ONLY

PLEASE ENSURE PRODUCT IS STORED IN A COOL, DRY AND PEST FREE ENVIRONMENT.

DO NOT FEED TO ANY OTHER ANIMAL SPECIES OTHER THOSE STIPULATED ON THE LABEL.
