

PRODUCT DATA

TYPICAL ANALYSIS:

Protein: 8%

Approximate on a DM basis. Analysis may vary slightly due to grain variances beyond our control.

FEEDING RECOMMENDATIONS:

- Suitable to be fed to animals that can eat maize but **cannot** digest whole grain maize.
- Feed in a controlled manner. Do not allow individual animals to over consume.
- Animals should always have access to a quality source of roughage.
- Keep feed fresh and ensure feeding containers are kept clean.
- Ensure that animals have access to fresh, clean water at all times.

INGREDIENTS:

Selected from: Certified Organic Maize.

Organic Certified KIBBLED MAIZE

GRAIN

Meal Time Organic Certified Kibbled Maize Grain is grown right here in New Zealand, often near sunny Gisborne. Be assured that our **Organic Certified Kibbled Maize Grain** is grown under strictly monitored conditions for a lifestyle that is sustainable and healthy. We have carefully screened the grain to ensure that it is as clean as possible for your satisfaction and your animals' well-being.

Meal Time Organic Certified Kibbled Grain is ideal for animals that have difficulty digesting Whole Grain, as the kibbling roller process allows the grains to be utilized by these animals much more effectively.
